W.C. Wood Company, Inc.
Premise #03 69 00 0021
Notice of Violation Close-out/HPF

January 31, 2007

Mr. Glenn Kaufman
W.C. Wood Company, Inc.
677 Woodland Drive
Ottawa, Ohio 45875

Dear Mr. Kaufman:

The Division of Air Pollution Control (DAPC) has reviewed W.C. Wood's letter dated January 22, 2007, and subsequent faxes received on January 29, which contained responses to DAPC's December 28, Notice of Violation (NOV). This NOV was for the failure to maintain accurate daily usage records of the touch-up coating in emissions unit K004 during the third quarter.

The company's response included the documentation of the employee training conducted on the proper record keeping requirements for touch-up paint usage. In addition, the Daily Usage Charts for emissions unit K004 were revised in accordance with the PTI # 03-16130. As of January 10, 2007, W.C. Wood began using the revised data sheets.

Based on the company's response to the NOV, and documentation provided, we have determined that the compliance plan is acceptable. No further action is being taken at this time for the violation cited in the December 28, 2006, NOV and the violation is considered resolved.

Should you have any questions or comments concerning this letter, please feel free to contact me at the above address or call (419) 373-3136.

Sincerely,

Jay P. Liebrecht
Division of Air Pollution Control
