Bettsville, Ohio 44815

Subject: Notice of Violation (NOV) regarding the failure to perform visible emission inspections.

Dear Mr. Roberts:

Carmeuse Lime, Inc. (Carmeuse) submitted a Second Quarter Compliance Report on July 31, 2009. The company indicated that visible fugitive emission inspections were not conducted for emissions units F001, F002, F003, P901, P902, P903, P904, and P905 on April 24-26, April 28, May 8, May 24-25, May 31, June 5-7, and June 17-18, 2009. In addition, the company also indicated that on the above dates visible emission inspections were not conducted on the stacks serving emissions units P001, P002, P003, P004, P901, P902, P903, P904, and P905. Visible emission inspections are required in accordance with the company's Permit to Install (PTI) #03-13527, issued August 21, 2003, and Title V permit, issued January 29, 2004. Failure to perform these inspections is a violation of the PTI, Title V permit, and Ohio Revised Code (ORC) 3704.05.

Please respond to this letter by August 21, 2009 indicating the steps that have been taken to prevent future violations.

Be advised that the submission of information to respond to this letter does not constitute a waiver of Ohio EPA's authority to seek civil penalties pursuant to ORC section 3704.06. The Ohio EPA will make the decision on whether to pursue or decline to pursue such penalties regarding this matter at a later date.

Mr. Stuart Roberts
