Dear Mr. Krendl:

On May 23, 2007, the Ohio Environmental Protection Agency (Ohio EPA), Division of Solid and Infectious Waste Management (DSIWM), received a document, dated May 21, 2007, from Krendl Machine Company (Facility) stating that the Facility had removed soils contaminated by paint waste from the company's property and properly disposed of the waste. Landfill receipts and photos were submitted with the document as evidence of proper disposal. As of May 23, 2007, Ohio EPA will consider Case #07-31 closed.

If you have any questions, please contact me at (419) 373-3079.

Sincerely,

Jeremy Scoles, S.I.T., CHMM
