Dear Mr. Heistad:

I received your response to my June 4, 2012, Notice of Violation letter on June 26, 2012. The documentation that you submitted included photographs of the used oil contaminated soil removal as required.

My review of this documentation reveals that Daniels Metals has adequately demonstrated abatement of the violation discovered during the May 31, 2012 compliance inspection.

If you have any questions regarding this letter, please call me at 740.380.5256.

Sincerely,

Melody Stewart  
District Representative  
Division of Materials and Waste Management

MS/sb
