Resolution of NOV letter

January 8, 2008

Mr. Steve Lonneman
Senior District Manager
Evergreen RDF
2625 East Broadway
Northwood, Ohio 43619

Subject: Evergreen submittal of a complete Title V compliance certification for reporting year 2006

Dear Mr. Lonneman:

The purpose of this letter is to follow-up on the NOV letter dated January 3, 2008 sent to your attention. This letter addresses the issue raised in that letter. The facility did not appear to have submitted a Title V Compliance Certification Report for reporting year 2006. The facility's Environmental Specialist, Mr. Christopher Windnagle, had called me on January 7, 2008 explaining that this report had been submitted and was received by Ohio EPA on April 27, 2007. This report was not received by me but sufficient documentation was submitted by Mr. Windnagle thereby resolving the issue.

I appreciate your understanding. If you happen to have any questions or comments regarding this matter, please feel free to contact me at (419) 373-3118.

Sincerely,

Mohammad Smidi
Environmental Specialist
