Re: Wood County  
Norplas Industries, Inc.  
Premise #0387000362  
Notice of Violation (HPF/Non-HPV)

August 17, 2011

Ms. Jennie Ulrich  
Environmental, Health and Safety Coordinator  
Norplas Industries, Inc.  
7825 Caple Boulevard  
Northwood, Ohio 43619-1078

Dear Ms. Ulrich:

This letter shall serve as follow-up to the inspection conducted at the above-referenced facility on July 26, 2011. The reason for the inspection was to determine the compliance status of the emission units that are operating at the facility with the rules and regulations of the Division of Air Pollution Control (DAPC).

Based on the discussions with you and your consultant, Ms. Tammy Endlish of Endlish Environmental & Energy, as well as a review of the company files at the Northwest District Office (NWDO), the finding of the inspection is as follows:

The facility failed to submit a Notice of Compliance (NOC) status document as required by National Emission Standards for Hazardous Air Pollutants (NESHAP) Subpart P for Plastic Parts and Products Surface Coating. Therefore, the facility is required to submit a NOC document within thirty days of the date of this letter.

It is recommended that you submit the information requested above by no later than September 23, 2011. If you have any questions about this letter, you may contact me either by e-mail at [mohammad.smidi@epa.state.oh.us](mailto:mohammad.smidi@epa.state.oh.us) or by telephone at (419) 373-3118.

Sincerely,

Mohammad Smidi  
Environmental Specialist  
Division of Air Pollution Control
