CERTIFIED MAIL

Mr. Greg Luettker, President
Walbridge Woodworks, Inc.
27943 East Broadway
Walbridge, Ohio 43465

Dear Mr. Luettker:

This letter shall serve as a follow-up to the Notice of Violation letter sent to your attention dated August 12, 2008. I have made phone contact with you on two separate occasions since then to follow-up on the NOV letter. The company has been unresponsive and no information has been submitted for the unpermitted source(s) as of the time of this letter.

The violations discovered during the inspection on August 7, 2008, have not been rectified. This letter is our last attempt to obtain the required information as indicated in the NOV letter before referring this matter to our Enforcement/Legal Sections. This information is to be submitted to my attention no later than May 14, 2010.

The submission of information to respond to this letter does not constitute a waiver of Ohio EPA's authority to seek civil penalties pursuant to ORC section 3704.06. The Ohio EPA will make the decision on whether to pursue or decline to pursue such penalties regarding this matter at a later date.

Respectfully,

Mohammad Smidi
Environmental Specialist
Division of Air Pollution Control
