Dear Mr. Miller:

This office has received a report from an Ohio EPA representative concerning open burning on your company's property. This report was substantiated upon my visit on September 17, 2007. By means of this letter we hope to inform you of the seriousness of open burning, and inform you that open burning is a strictly regulated activity in Ohio, regulated pursuant to Ohio Administrative Code (OAC) 3745-19 (copy enclosed).

Mr. Miller, Theiman Stamping has been found in violation of OAC 3745-19.

At this time, we ask that you submit a written response to the Ohio EPA regarding this report, your understanding of the regulations, and what measures will be taken to prevent any further violations. Your response should be received by this Agency by October 4, 2007.

Please be advised that the submission of information to respond to this letter does not constitute waiver of Ohio EPA's authority to seek civil penalties pursuant to ORC Section 3704.06. The Ohio EPA will make a decision on whether to pursue or decline to pursue such penalties regarding this matter at a later date.
