Dear Mr. Kramer:

On November 13, 2007, this office observed open burning being conducted on your property. Based on our observations, brush, a mobile home frame, construction debris and miscellaneous trash was being burned in an unrestricted area. Illegal open burning did occur and the complaint is justified. This is a violation of Ohio Administrative Code rule 3745-19-04.

A copy of the OAC rules pertaining to open burning has been enclosed. Please submit a written response to Ohio EPA indicating your understanding of the regulations and your commitment that non-permitted open burning will not occur in the future. Your response should be received by this agency no later than November 28, 2007.

Please be advised that the submission of information to respond to this letter does not constitute waiver of the Ohio EPA's authority to seek civil penalties pursuant to Ohio Revised Code Section 3704.06. The Ohio EPA will make a decision whether to pursue such penalties regarding this matter at a later date.

If you have any questions concerning this letter or the regulations, please call me at (419) 373-3137.

Sincerely,

Thomas C. Cikotte
