Dear Sir or Madam:

This office has received a complaint concerning you open burning foam material on your property. This complaint was substantiated upon my visit on April 24, 2008. You were not home at this time however, past burning in your barrel was evident and a large pile of foam material was also seen near the back of your trailer. By means of this letter we hope to inform you of the seriousness of open burning, and inform you that open burning is a strictly regulated activity in Ohio, regulated pursuant to Ohio Administrative Code 3745-19 (copy enclosed).

Sir or Madam, you have been found in violation of OAC 3745-19-04 (A)(3)(c): "**The fire is located at a point on the premises no less than 1000 feet from any inhabited building not located on said premises,**" also foam material should never be burned.

At this time, we ask that you submit a written response to the Ohio EPA regarding this complaint, your understanding of the regulations and what measures will be taken to prevent any further violations. Your response should be received by this Agency by May 16, 2008.

Please be advised that the submission of information to respond to this letter does not constitute a waiver of Ohio EPA's authority to seek civil penalties pursuant to ORC Section 3704.06. The Ohio EPA will make a decision on whether to pursue or decline to pursue such penalties regarding this matter at a later date.

Keep in mind that penalties of up to \$25,000 could be assessed.

If you have any questions concerning this letter or the regulations, please call me at (419)373-3120.

Sincerely,

Joseph L. Grob
