Re: Henry County
Open Burning

April 15, 2008

Mr. John Kuser
774 Walnut Street
Liberty Center, Ohio 43532

Dear Mr. Kuser:

On April 10, 2008, this office received a complaint concerning you allowing illegal open burning by your neighbor on your property. The purpose of this letter is to inform you of the seriousness of open burning. Whether the complaint is valid or not, please be aware that open burning is a strictly regulated activity in Ohio, regulated pursuant to Ohio Administrative Code 3745-19 (copy enclosed).

Keep in mind that open burning within 1000 feet of any neighbors' home is a violation of state law.

If you feel this letter is in error, please contact us in writing, preferably, or by telephone about the error. If we do not hear from you, we will assume you have read this letter and will be in conformance with the regulations concerning open burning from this time forward.

Should we receive a substantiated complaint about open burning in the future, we may seek enforcement of the open burning regulations.

If you have any questions concerning this letter or the regulations, please call me at (419) 373-3120.

Sincerely,

Joseph L. Grob
Environmental Specialist 3
Division of Air Pollution Control
