Dear Ms. Ornelas:

This office received a complaint on April 29, 2008 concerning open burning being conducted on your property. The complaint was investigated by this office on May 28, 2008. Our investigation shows that household trash, including glass, metal and plastics, is commonly burnt on the property.

Based on our findings, there is sufficient evidence to determine that illegal open burning did occur and the complaint is justified. This a violation of OAC rule 3745-19-04(A).

A copy of the OAC rules pertaining to open burning has been enclosed. Please submit a written response to Ohio EPA indicating your understanding of the regulations and your commitment that no future open burning will occur. Your response should be received by this agency no later than June 13, 2008.

Please be advised that the submission of information to respond to this letter does not constitute waiver of the Ohio EPA's authority to seek civil penalties pursuant to Ohio Revised Code Section 3704.06. The Ohio EPA will make a decision whether to pursue such penalties regarding this matter at a later date.

If you have any questions concerning this letter or the regulations, please call me at (419) 373-3137. or e-mail me at thomas.cikotte@epa.state.oh.us.
