Dear Mr. Hellman:

This office has received a report from a representative of this office concerning the open burning of household trash on your property. By means of this letter we hope to inform you of the seriousness of open burning, and inform you that open burning is a strictly regulated activity in Ohio, regulated pursuant to Ohio Administrative Code 3745-19 (copy enclosed).

Mr. Hellman, you have been found in violation of OAC 3745-19-03(A): ***"No person or property owner shall cause or allow open burning in a restricted area except as provided in paragraphs (B) to (D) of this rule or in Section 3704.11 of the Revised Code."*** Open burning as conducted by yourself is not provided for in these rules.

At this time, we ask that you submit a written response to the Ohio EPA regarding this report, your understanding of the regulations and what measures will be taken to prevent any further violations. Your response should be received by this Agency by May 20, 2008.

Please be advised that the submission of information to respond to this letter does not constitute a waiver of Ohio EPA's authority to seek civil penalties pursuant to ORC Section 3704.06. The Ohio EPA will make a decision on whether to pursue or decline to pursue such penalties regarding this matter at a later date.

Keep in mind that penalties of up to \$25,000 could be assessed.

If you have any questions concerning this letter or the regulations, please call me at (419)373-3120.
