Dear Mr. & Mrs. Wylie:

This office received a complaint on October 7, 2011, concerning open burning being conducted on your property at 27100 Glenwood Road in Perrysburg, Ohio (Wood County parcel #P57-400-110000014000). Based on the investigation conducted by the Wood County Health Department, on October 7, 2011, it appears that a mattress, brush and construction and demolition debris was burned for disposal purposes within 1000' of adjacent inhabited structures in an unrestricted area.

Based on these findings, there is sufficient evidence to determine that illegal open burning did occur and the complaint is justified. This is a violation of OAC rule 3745-19-04(A). A copy of the OAC rules pertaining to open burning has been enclosed for your review.

Please provide a written response acknowledging your receipt of this letter and your understanding of the rules. If you do not understand the rules please contact this office for additional explanation before responding. Your response is requested no later than November 2, 2011.

Please be advised that the submission of information to respond to this letter does not constitute waiver of the Ohio EPA's authority to seek civil penalties pursuant to Ohio Revised Code Section 3704.06. The Ohio EPA will make a decision whether to pursue such penalties regarding this matter at a later date.
