Subject: Rescinding Violation – TCR

Your public water system was issued a notice of violation of Rule 3745-81-21 of the Ohio Administrative Code (OAC) on July 3, 2012, at 12:00:00 A.M. for the monitoring period of May 2012. The sample (#22453) was collected on May 14, 2012, but inadvertently had the year 2011 on the Sample Submission Report. The result was reported correctly to our office on July 10, 2012.

The violation has been rescinded and the public notice sent with the notice of violation referenced above does not need to be issued at this time.

OAC 3745-81-31 and 3745-89-08 require results to be reported by the tenth day following the month the sample was collected. The sample was not reported and accepted in accordance with the above rules and this is considered a reporting violation.

Please ensure future sample results are submitted as required. If you have any questions, please contact this office at (419) 373-3048.

Sincerely,

Ralph J. Baker
