**Re: Sixth St. Tire Open Dump
Return to Compliance**

Dear Mr. Fortune:

In a letter dated May 31 2012, Ohio EPA sent a Notice of Violation (NOV) to your property located at 1513 S. Sixth St. The NOV was for the open dumping of tires on property owned by Ky Thi Do, located behind 827 & 923 South 6th Street in the city of Coshocton. On June 29, 2012, Ohio EPA observed the removal of the above-mentioned tires, which were removed by Liberty Tire. Liberty Tire submitted documentation to Ohio EPA Southeast District Office on July 5, 2012, for the removal of the tires. As a result of the inspection and documentation, Ohio EPA has determined that the following violations have been abated:

Citation	Requirement	Action taken
(ORC) Section 3734.03	No open dumping	Liberty Tire removed tires.
OAC Rule 3745-27-05 (C)	No person shall allow open dumping	Proper removal of tires

Nothing in this letter shall be construed to authorize any waiver from the requirements of any applicable state or federal laws or regulations. This letter shall not be interpreted to release the owner or operator, or others, from responsibility under Chapters 3704, 3714, 3734, or 6111 of the Ohio Revised Code or under the Federal Clean Water Act, Resource Conservation and Recovery Act, or Comprehensive Environmental Response, Compensation, and Liability Act for remedying conditions resulting from any release of contaminants to the environment.

If you have any questions regarding this letter, please contact me by telephone at (740) 380-5228 or by e-mail at erika.jackson@epa.ohio.gov.

Sincerely,
