Mr. Fred Pentecost
Bethel Christian Church
14988 County Road 209
Defiance, Ohio 43512

Dear Mr. Pentecost:

This letter will confirm removal of the water use advisory required in our letter dated June 27, 2012. This is based on one set of four total coliform negative (safe) samples collected on June 28, 2012.

When a public water system monitoring with fewer than five routine samples per month has one or more total coliform-positive samples, the public water system shall monitor with at least, five samples during the next month that the system provides water to the public. It is the responsibility of the water system to collect five samples during the month of July 2012.

Yours truly,

Chris Riddle
Division of Drinking and Ground Waters
