In accordance with OAC Rule 3745-84-06(G), no person shall operate a PWS with an expired license. A PWS without a valid LTO is prohibited from producing water for human consumption, which includes, but is not limited to, drinking, food preparation, dishwashing, hand washing, etc. Operating without an LTO may jeopardize other licenses you may hold, which include, but are not limited to, food service, liquor, daycare, campground, etc.

ACTION REQUIRED:

- 1.) Within thirty (30) days, submit verification to Ohio EPA that payment or arrangement of a payment plan has been made with the Attorney General's Office, Collections Enforcement Section (888-246-0688), 150 E. Gay Street, 21st Floor, Columbus, Ohio 43215, for the following unpaid PWS LTO fees:

- 2.) **Comply with all PWS LTO requirements in OAC Chapter 3745-84. Application information for next year will be sent to you in the next few months. Payment of the application fee does not guarantee the issuance of the LTO. Once a complete application with the required fee is received, the Director is required to take an action on the application within 30 days to issue the LTO, issue the LTO with conditions, or deny the LTO.**

Please be advised that owners or operators that fail to comply with Ohio's safe drinking water laws are subject to civil penalties of up to \$25,000.00 per day per violation under Ohio Revised Code § 6109.33.
