Dear Public Water System Owner:

I have received the results of the Total Trihalomethanes and Haloacetic Acids analysis performed on a sample from OHIO CITY, fulfilling the monitoring requirements for the July 1 through September 30, 2011 time period. Therefore, the monitoring violation issued on 12/5/2011 is rescinded, and OHIO CITY will not be required to issue a public notice as outlined in the notice of violation.

In order to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please contact me at (614) 644-2752.

Sincerely,

Sarah Byerly
