Dear Mr. Horvat:

This letter is regarding the NPDES storm water permit (#3GR01153\*DG) for Plastech Exterior Systems located at 3636 West 58<sup>th</sup> Street, Cleveland, Ohio. Last week this writer went to do a routine inspection of the facility to ensure permit compliance and found it was no longer located at this address.

If this business has closed, a Notice of Termination (NOT) must be sent to our central office to terminate this permit. The NOT form and application instructions can be found near the bottom of the following web page:

If this business has relocated, a letter of explanation should be sent requesting the permit be changed to cover the new location. This request should be sent to:
