Fredericktown, OH 43019

Dear Mr. Kyanko:

On August 4, 2011, Ohio EPA attempted to conduct an inspection of Volunteer Plant 514, located at 8215 Seville Rd., Harrisville Township, Medina County (facility). Ohio EPA records indicate that the site is covered by General National Pollutant Discharge Elimination System Permit for Storm Water Associated with Industrial Activity (General Storm Water Permit), permit No. 3GR01021*DG. The inspection documented the following:

The inspection documented that the facility does not appear to be located at the address provided above. On August 26, 2011, via a telephone conversation, you stated that the facility is no longer located at the address provided above. Part II.F of the General Storm Water Permit requires that "where all storm water discharges associated with industrial activity that are authorized by this permit are eliminated, the operator of the facility must submit an [Notice of Termination] NOT form provided by Ohio EPA that is signed in accordance with paragraph G of Part VII of this [General Storm Water] permit." For your convenience, the NOT can be located from the following website:

<http://www.epa.ohio.gov/dsw/storm/stormform.aspx>

If the facility satisfies Part II.F of the General Storm Water Permit, a NOT must be completed in accordance with the NOT instructions and submitted to Ohio EPA at the following address:
