**Re: Defiance County Landfill
Return to Compliance**

Dear Commissioners:

In a letter dated March 2, 2012, The Ohio Environmental Protection Agency (Ohio EPA) provided a notice of violations occurring at the Defiance County Landfill located at 13207 Canal Road in Defiance, Ohio. The violations were originally communicated to June Crosser during an exit conference following an inspection conducted on February 16, 2012. On May 8, 2012, Ohio EPA received correspondence from Tim Houck, representing the Defiance County Commissioners, which documents abatement of the following violation:

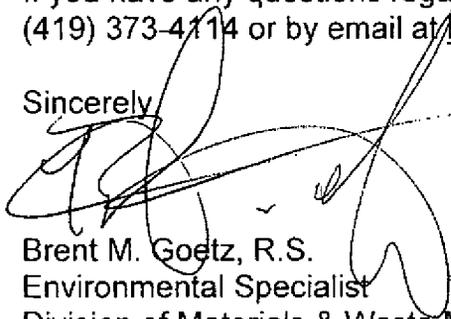

Citation	Requirement	Action taken
OAC Rule 3745-27-19(F)	Applying either an approved Alternative Daily Cover (ADC) or six inches of soil cover to all exposed waste by the end of the working day.	Responded indicating what caused the conditions observed during the inspection and provided details of measures that would be taken in an attempt to prevent future violations. Provided photos documenting abatement of the violation.

Nothing in this letter shall be construed to authorize any waiver from the requirements of any applicable state or federal laws or regulations. This letter shall not be interpreted to release the owner or operator, or others, from responsibility under Chapters 3704, 3714, 3734, or 6111 of the Ohio Revised Code or under the Federal Clean Water Act, Resource Conservation and Recovery Act, or Comprehensive Environmental Response, Compensation, and Liability Act for remedying conditions resulting from any release of contaminants to the environment.
