Dear Mr. Yoder:

I am writing to notify you that I received a letter from Larry Troyer on July 9, 2009. He stated that you are authorized to certify the Hazardous Waste annual reports you filed for both ProVia Door facilities named above in 2007 and 2008, and that you can attest that these reports were complete and accurate. His letter was requested by me in a letter to you dated June 22, 2009, indicating you originally submitted these reports using a PIN (electronic certification signature) assigned to another individual. This violation has been abated.

I recommend you file this letter with your Annual Report records in case there are any questions during an inspection. Please feel free to contact me in the future at (614) 644-2891 or maryann.silagy@epa.state.oh.us.

Sincerely,

Mary Ann Silagy
