Dear Public Water System Owner:

I have received the results of the TTHM and HAA5 analysis performed on a sample(s) from MCDONALD VILLAGE PWS, fulfilling the monitoring requirements for the First Quarter 2012 time period. Therefore, the monitoring violation issued on 5/31/2012 is rescinded, and MCDONALD VILLAGE PWS will not be required to issue a public notice as outlined in the notice of violation.

In order to remain in compliance, you must continue to monitor for all chemical parameters as indicated on your most recent monitoring schedule.

If you have any questions, please contact me at (614) 644-2752.

Sincerely,
