NPDES Permit

Mr. Tim Richardson, Executive Director
Camp Patmos
920 Monagan Road
Kelleys Island, Ohio 43438

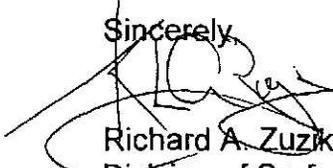

Dear Mr. Richardson:

On May 20, 2009, an inspection was made of the wastewater treatment facilities serving Camp Patmos. At the time of my visit I was disappointed to find the plant not yet in operational condition for the beginning of the season. Please take all necessary action to bring the plant into service as soon as possible and notify me upon completion.

I was informed that Tom McNeil received his Class A wastewater certification. In order for the plant to be under his supervision it will be necessary to submit an NPDES permit modification request. An application is enclosed. There is a \$200.00 application fee payable to "Treasurer, State of Ohio".

I will await your notification. If you have any questions, please feel free to call, or email at rick.zuzik@epa.state.oh.us.

Sincerely,

Richard A. Zuzik, MSE
