Dear Mr. St. Peter:

On March 25, 2010, the Cleveland Division of Air Quality (CDAQ) inspected Cuyahoga Community College located at 2900 Community College Ave. in Cleveland. This letter serves to inform you of violations that occurred during asbestos removal at the above address.

Quality Asbestos Demolition Services violated 40 Code of Federal Regulations Part 61.145(b)(4)(viii) and Ohio Administrative Code Rule 3745-20-03(A)(4)(i) by failing to provide a correct-scheduled starting date for asbestos removal work. [Observed on March 25, 2010]

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Quality Asbestos Demolition Services submit a revised Notification to the following enforcement representative:

Mike Samec
Cleveland Division of Air Quality
75 Erieview Plaza 2nd Floor
Cleveland, Ohio 44114-1839

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Cuyahoga Community College: CL 10 245.

NOTICE OF VIOLATION: FOLLOW-UP LETTER**

Dear Mr. St. Peter:

On April 20, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Quality Asbestos Demolition Services to provide a correct scheduled starting date for asbestos removal work at Cuyahoga Community College Physical Education Building. CDAQ is in receipt of a corrective action plan dated May 12, 2010. Quality Asbestos Demolition Services submitted a revised Notification to Northeast District office on March 25, 2010, however CDAQ did not receive the revised Notification until May 12, 2010.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Cuyahoga Community College Physical Education Building: CL 10 245.
