CL 11 046
NOTICE OF VIOLATION: NESHAP VIOLATIONS

Dear Mr. Andrews:

On November 8, 2010, the Cleveland Division of Air Quality (CDAQ) inspected Parma City School District located at 6726 Ridge Road in Parma. This letter serves as notification that you are operating sources in violation of the following applicable air permit conditions.

Ace Demo violated 40 Code of Federal Regulations Part 61.145(c)(3)(viii) and Ohio Administrative Code Rule 3745-20-04(A)(3) by failing when RACM is stripped from a facility component while it remains in place in the facility, to adequately wet the RACM during stripping operation.

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Ace Demo, Inc. take immediate action removing the asbestos debris pile, abate and clean the crusher onsite, and submit a revised Notification of Demolition and Renovation, to the following enforcement representative:

Mike Samec
Cleveland Division of Air Quality
75 Erieview Plaza 2nd Floor
Cleveland, Ohio 44114-1839

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for the 6726 Ridge Road site: CL 11 046.

Sincerely,

Linda Kimmy for G.B.

NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Andrews:

On November 18, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Ace Demo, Inc. to remove the asbestos debris pile, abate and clean the crusher onsite at 6726 Ridge Road, and submit a revised Notification of Demolition and Renovation.

CDAQ is in receipt of the revised Notification of Demolition and Renovation dated January 7, 2011. Ace Demo, Inc. hired Arick's Environmental Management Services, Inc. to remove the two cubic yards of asbestos containing material on November 10, 2010, through November 16, 2010.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for 6726 Ridge Road: CL 11 046.

Sincerely,

Linda Kimmy for G.B.
