NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Safier:

On October 8, 2007, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Safier Inc. to fill out a notification before demolition on building 8506 Harvard Ave. CDAQ is in receipt of the notification and the corrective action plan dated November 6, 2007.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-280-1357. All correspondence with CDAQ must include the Ohio EPA facility identification number for Safier Inc.

Sincerely,

A handwritten signature in black ink that reads "Valencia White".
