**Re: Return to Compliance - 2006 Hazardous Waste Annual Report Requirement
Northeast Steam Industries – OHR000124156**

Dear Mr. Reiser:

I am writing to notify you that the violation of the 2006 Hazardous Waste Annual Report has been abated for Northeast Steam Industries at 877 Addison Road in Cleveland. The report was requested in letters from me dated August 22, 2007 and October 11, 2007. The report was received at Ohio EPA on November 13, 2007, but there were some omissions and corrections that I sent you an e-mail about on November 14 and December 6. You replied on December 27 and I am now able to process the report and enter it to Ohio EPA's Annual Report database.

I suggest that you file this letter with the facility's Annual Report records in case there are any questions during an inspection. If you have any questions, please call me at 614-644-2923 or send an email to paula.canter@epa.state.oh.us.

Sincerely,

Paula Canter
