**Re: Return to Compliance - 2006 Hazardous Waste Annual Report Requirement  
ATK Space Systems Inc. – OHR000132563**

Dear Mr. Sweda:

I am writing to notify you that yesterday I received the 2006 Hazardous Waste Annual Report for ATK Space Systems Inc. This report was requested in a letter from me dated August 22, 2007, indicating that Ohio EPA had not received a report from ATK Space Systems Inc. for 2006. The report has been processed and entered into Ohio EPA's Annual Report database. The violation has been abated.

I have contacted Kathy Cook at Chemtron Corporation and instructed her that I would be changing the generator identification on their waste receipt report to correspond with the information provided in your cover letter.

I suggest that you file this letter with your Annual Report records in case there are any questions during a future inspection. If you need to contact me in the future, you can call me at 614-644-2923 or send an e-mail to [paula.canter@epa.state.oh.us](mailto:paula.canter@epa.state.oh.us).

Sincerely,

Paula Canter
