NOTICE OF VIOLATION

CERTIFIED MAIL

Mr. Sidney Simon
4645 Richmond Road, Suite #102
Warrensville Heights, OH 44128

Dear Mr. Simon:

It's understood that the sewage, which had been treated at the Copley Square Wastewater Treatment Plant, may now be proceeding to the Akron's sanitary sewer system. Please inform this office, in writing, as to the date which this sewer connection took place.

Before this office revokes your National Pollutant Discharge Elimination System (NPDES) permit, this office needs written verification from the City of Akron that your wastewater has been connected into the public sanitary sewer. Also, this office needs a written schedule from you concerning a proposed timeframe to properly abandon your wastewater treatment plant.

Also, your Discharge Monitoring Reports (DMRs) must continue to be submitted monthly (indicating "no discharge" if that is the case) until the NPDES permit is revoked by this office.

Furthermore, as you've been informed numerous times, you have been operating under an expired NPDES permit since November 30, 2006. Furthermore, you are in violation of the Compliance Schedule in your NPDES permit which directs that your wastewater treatment plant was to be totally abandoned and connected to the existing public sanitary sewer by November 30, 1996.

If you have any questions, please contact this office at (330) 963-1151.

Sincerely,

Jennifer S. Bennage
