Dear Ms. Crawford:

On May 19, 2011, the Cleveland Division of Air Quality (CDAQ) inspected the residential site located at 3626-28 Menlo Road in Shaker Heights. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

Asbestos removal projects are subject to compliance with the Asbestos National Emission Standard for Hazardous Air Pollutants (NESHAP), Title 40 Code of Federal Regulations (CFR) Part 61 Subpart M, the Ohio Administrative Code (OAC) Rule 3745-20, and the Ohio Revised Code Chapter 3704.05(G).

JJK Environmental violated 40 CFR Part 61.145(b)(4)(viii) and OAC Rule 3745-20-03(A)(4)(i) by failing to provide a correct scheduled starting date of asbestos removal work in a demolition project.

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that JJK Environmental submit a revised Notification of Demolition and Renovation to the following enforcement representative:

Mike Samec  
Cleveland Division of Air Quality  
75 Erieview Plaza 2<sup>nd</sup> Floor  
Cleveland, Ohio 44114-1839

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA CL number: CL 11 532.

Sincerely,
