Fraternal Supplies, Inc.
80 S. Railroad St.
New London, OH 44851-0129

Dear Mr. Sword:

As of the date on this letter we have not received the indirect discharge permit renewal application forms that we requested in our April 4, 2008 letter. Copies of these renewal application forms and instructions for filling them out were given to you during our visit to your facility on March 18, 2008. If needed, additional copies of the forms can be found on the following Ohio EPA website, <http://www.epa.state.oh.us/dsw/pretreatment/forms.html> If you need further assistance to complete the forms, please feel free to contact Mr. Andrew Gall. Please submit the completed renewal forms and application fee to my attention at the Ohio EPA Northwest District Office, 347 N. Dunbridge Rd., Bowling Green, OH 43402.

Please be aware that your industrial discharge is not currently permitted. Ohio Revised Code Chapter 6111 prohibits industrial discharges to a publically owned treatment works without a permit from the Director of the Ohio EPA. **Once again we are requesting that you submit indirect discharge permit renewal application forms and an Anti-degradation Addendum to my attention at the Northwest District Office within 30 days of receiving this letter. Failure to respond within the specified time frame may result in formal enforcement actions being initiated.** If you have any questions regarding this letter, please feel free to contact Mr. Gall at (419) 373-3003 or via email at andrew.gall@epa.state.oh.us

Sincerely,
