April 24, 2008

Mr. Ron Hackenberger, Owner
Indian Trail Campground
P. O. Box 222
Milan, Ohio 44846

Dear Mr. Hackenberger:

This letter is in reference to the above listed National Pollutant Discharge Elimination System (NPDES) permit renewal. Our records indicate that your NPDES permit expired on February 29, 2008. As stated in the last paragraph of the first page of your NPDES permit, you are to submit a renewal application at least 180 days prior to the expiration date of your permit. As of the date on this letter we have not received your completed NPDES permit renewal application. Therefore, your permit is no longer valid and you are in violation of the conditions of your permit.

On May 1, 2007, a letter and permit renewal application, forms 1, 2E, 2S and the Antidegradation Addendum, were sent to P.O. Box 222, Milan, OH 44846. If this address is incorrect or has changed, inform this office at once. If the forms were not received with the letter or if you no longer have them, they are available on the website listed below.

<http://www.epa.state.oh.us/dsw/permits/npdesform.html>

Please immediately submit the appropriate and completed NPDES permit application with the required sample results and \$200.00 NPDES permit renewal review fee, made payable to: Treasurer, State of Ohio. If you continue to fail to comply with the conditions of your NPDES permit, it may be necessary to initiate enforcement action to achieve compliance.

If you have any questions regarding this letter or feel it is in error and wish to discuss this issue in further detail, please feel free to contact me at (419) 373-3003 or via email at andrew.gall@epa.state.oh.us.

Sincerely,

Andrew Y. Gall
