Dear Mr. Sikorski:

On July 19, 2012 Joe Holland and I visited Ron's Garage in Glouster, Ohio as a follow up to our May 8, 2012 inspection and May 21, 2012 Notice of Violation letter. On July 19, 2012 I observed that you had cleaned up the used oil that had been spilled on the ground. During our visit, you labeled all your used oil containers with the words "Used Oil." With these actions, all the used oil violations discovered during the May 8, 2012 inspection were abated. Our visit also confirmed that you had satisfactorily addressed tire storage compliance by removing the majority of tires stored at your business.

If you should have any questions regarding this letter, please feel free to call me at (740) 380-5248.

Sincerely,

Elizabeth A. Herron
