**Re: Return to Compliance - 2006 Hazardous Waste Annual Report Requirement
Lite Metals Company - OHT400012076**

Dear Mr. Clancy:

I am writing to notify you that I received the 2006 Hazardous Waste Annual Report for Lite Metals Company on August 31, 2007. This report was requested in a letter from me dated August 22, 2007, indicating that Ohio EPA had not received a report from Lite Metals Company for 2006. The report has been processed and entered into Ohio EPA's Annual Report database. The violation has been abated.

Because you included pages from the Right-To-Know report with your submission, I suspect that the Division of Hazardous Waste Management did not receive your original report because it was mailed to the State Emergency Response Commission. For the 2007 report due March 1, 2008, please be sure to mail them separately.

I suggest that you file this letter with your Annual Report records in case there are any questions during a future inspection. If you need to contact me in the future, you can call me at 614-644-2923 or send an e-mail to paula.canter@epa.state.oh.us.

Sincerely,

Paula Canter
