Ms. Janet Kruse
Senior Environmental Engineer
General Motors, LLC
P. O. Box 909
Toledo, Ohio 43697-0909

Dear Ms. Kruse:

On April 1, 2010, I met with you to evaluate the wastewater discharge from General Motors, LLC, facility located on Alexis Road in the city of Toledo.

The facility discharges wastewater through three outfalls into Silver Creek and one outfall into the city of Toledo storm sewers leading to Silver Creek. None of the outfalls were discharging during the inspection.

The renewal of the NPDES permit should proceed soon. If you any question, please contact me at naajy.abdullah@epa.state.oh.us or (419) 373-3017.

Sincerely,

Naajy Abdullah, P.E.
