Re: Marion County
Central Ohio Farmers Co-op
NPDES Permit

June 15, 2011

Mr. Tom A. Bostic
Central Ohio Farmers Co-op
730 Bellefontaine Avenue
Marion, Ohio 43302

Dear Mr. Bostic:

This will acknowledge our June 2, 2011, compliance inspection at your Marion facility. This facility is located at 517 Park Boulevard, Marion, Ohio. This inspection was conducted as part of your facility's NPDES permit No. 2IN00170.

The oil/water separation process is operational. At the time of the inspection, the pond was drained for cleaning and no discharge was noted. When a discharge occurs from the pond, it must be sampled in accordance with this NPDES permit.

Your existing NPDES permit will expire on June 30, 2012, and the permit renewal application should be submitted to our office no later than 180 days prior to the expiration date.

Our review of your Discharge Monitoring Reports (7/2009 to 5/2011) for this Marion facility has indicated one effluent violation. Please refer to the enclosed violation table. If you have any questions or comments, please call me at 419-373-3021.

Sincerely,

Jason Ko
Division of Surface Water
