**Re: Return to Compliance  
Regarding Submittal of 1st Quarter Fee Report of 2012**

Dear Mr. Steiner:

On June 15, 2012, Ohio EPA sent a notice of violation letter to the Portage County Solid Waste Management District (District). The purpose of the letter was to inform the District that it was found to be in violation of ORC 3734.57.5 for failing to submit the first quarter fee report of 2012 to the director of Ohio EPA by May 15, 2012.

By electronic mail from the District's accountant/budget analyst on May 25, 2012, John Leskovyansky addressed the delinquent quarterly fee report by providing a time frame for its submittal. In the e-mail, he wrote "The 2012 1<sup>st</sup> Qtr, (o)n or about 05/30, or 05/31 pending review and signature (possibly 06/01 due to holiday weekend)." On July 6, 2012, Ohio EPA received the first quarter fee report of 2012 by e-mail.

Ohio EPA finds the submittal of the first quarter fee report for 2012 on July 6, 2012 as an acceptable remedy to the violation identified on June 15, 2012.

Should you have any questions regarding this letter or other matters, please call me at (614) 728-5357.

Sincerely,
