Dear Mr. Kopea:

Thank you for your response to Ohio EPA's June 13, 2011 Notice of Violation Letter (NOV).
You submitted documentation including:

- Two weeks of completed daily hazardous waste tank system inspections,
- A copy of K-B Plating's 2009 Annual Hazardous Waste Report.
-

My review of this documentation reveals K-B Plating has abated the following violations discovered during Ohio EPA's May 5, 2011 inspection, and is hereby returned to compliance.

1. OAC 3745-66-95 Tank Inspections:
2. OAC 3745-52-41(A) Annual Reports:

Failure to list specific deficiencies in this communication does not relieve K-B from the responsibility of complying with all applicable hazardous waste regulations. Should you have any questions, please feel free to call me at (330) 963-1181.

Sincerely,
