Macedonia, OH 44056

Dear Mr. Oslin:

On October 6, 2008, I received your letter which responded to the violations found during my August 19, 2008 inspection of J-D's Auto/Truck Center located at 9260 Valley View Road, Bay 1, Macedonia, Ohio. We also talked on the phone about these violations on August 21 and 26. You have documented the correction of all the violations as outlined below.

1. OAC rule 3745-52-11 – Hazardous waste determination.
You have determined that these four drums contained used oil and, therefore, are not a hazardous waste. You have also emptied these drums into your used oil tank. This documents your correction of this violation.
2. OAC rule 3745-279-22 (C) – Used oil labels.
Your letter documents the correction of this violation.
3. OAC rule 3745-279-22(D) – Response to releases of used oil.
Your letter documents the correction of this violation.

You can find copies of the regulations and other information on the Division of Hazardous Waste Management web page at <http://www.epa.state.oh.us/dhwm/>.

If you have any questions, please contact me at (330) 963-1217, or robert.almquist@epa.state.oh.us.

Sincerely,

Robert Almquist
