RE: SUMMIT COUNTY
CITY OF HUDSON
HUDSON ATHLETIC COMPLEX
CONSTRUCTION STORM WATER

Mr. Chuck Shilling
Hudson High School
2440 Hudson-Aurora Road
Hudson, OH 44236

Dear Mr. Shilling:

On June 22, 2011, I performed an inspection at the above-referenced site to determine compliance with the Ohio EPA General Storm Water National Pollutant Discharge Elimination System (NPDES) Permit for Construction Activities #3GC05373*AG. Our records indicate that Hudson High School was granted coverage under the NPDES permit on February 23, 2011.

The estimated start date for this project is listed as March 1, 2011, but it appears that construction has not yet started on the project. Please provide me with an indication of your expected construction start date and a copy of the Storm Water Pollution Prevention Plan (SWP3). Prior to commencing construction activities at the site, please contact Summit SWCD to arrange a pre-construction meeting to discuss SWP3 implementation and the intended construction sequence.

If you have any questions regarding this matter, please contact me at your earliest convenience at (330) 963-1128.

Sincerely,

Michelle Hummel
Assistant to the District Engineer
Division of Surface Water
