Storm Water Construction Activity
Dental Health Associates Clinic
Permit No. 2GC01513*AG

April 28, 2010

Mr. Ken Minichielo
Dental Health Associates
210 W Airport Highway
Swanton, Ohio 43558-1441

Dear Mr. Minichielo:

On April 9, 2010, I performed an inspection of the Dental Health Associates Clinic, located at 210 West Airport, Swanton, OH. The purpose of this visit was to evaluate compliance of the site with the National Pollutant Discharge Elimination System (NPDES) permit for storm water discharges associated with construction activity. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of this inspection, it appears that your site is eligible to terminate your NPDES permit.

It appears that construction activities at the Dental Health Associates Clinic, Swanton, Fulton County, are complete with final stabilization achieved on all portions of this site. Accordingly, a Notice of Termination (NOT) must be filed to relieve you of the obligation to comply with this general permit. The NOT form and instructions may be found on our website at: <http://www.epa.ohio.gov/dsw/storm/stormform.aspx>.

If there are any questions, please contact me at (419) 373-3016 or by e-mail at patricia.tebbe@epa.state.oh.us

Sincerely,

Patricia A. Tebbe, P.E.
