Re: Fulton County
Elmira/Burlington Sanitary Sewer System
Construction Storm Water
Permit No. 2GC01360*AG

June 15, 2011

Mr. Ziad Musallam, P.E.
Fulton County Commissioners
152 South Fulton Street #240
Wauseon, Ohio 43567

Dear Mr. Musallam:

On July 7, 2006, the Fulton County Commissioners received coverage under the Ohio EPA General Permit for Storm Water Associated with Construction Activity (CGP) for the Elmira/Burlington Sanitary Sewer System. This CGP is still active and you are named as a contact for this site.

On June 6, 2011, I performed an inspection of this site, located in the Elmira and Burlington areas, north of the Village of Archbold, Fulton County, Ohio. The purpose of this visit was to evaluate compliance of the site with the CGP. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of this inspection, it appears that coverage for this site is eligible to be terminated.

Construction activities have been completed with final stabilization achieved on all portions of this site. The CGP requires that a Notice of Termination (NOT) must be filed to relieve the applicant of the obligation to comply with the terms and conditions of this general permit including regular inspections of the site. I am enclosing an NOT form and instructions to terminate this permit.

Please submit this form to:

Ohio Environmental Protection Agency
General Permit Program
P.O. Box 1049
Columbus, Ohio 43616-1049

If you have any questions, please contact me at (419) 373-3016 or by e-mail at patricia.tebbe@epa.state.oh.us.

Sincerely,

Patricia A. Tebbe, P.E.
Division of Surface Water
