RE: Henry County  
Storm Water  
Construction Activity  
Permit No. 2GC00130\*AG

August 30, 2010

Ms. Kelly Davis, Superintendent  
Holgate Local School District  
801 Joe E. Brown Avenue  
Holgate, OH 43527

Dear Ms. Davis:

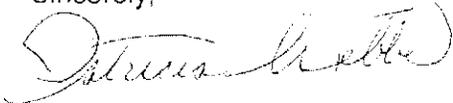

On July 31, 2003, the Holgate School District received coverage under the Ohio EPA General Permit for Storm Water Associated with Construction Activity (CGP) for the Holgate Local Schools K-12 Building. This CGP is still active.

On August 4, 2010, I performed an inspection of this site, located at 850 E. Joe E. Brown Ave, Henry County. The purpose of this visit was to evaluate compliance of the site with the CGP. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of this inspection, it appears that you are eligible to terminate this NPDES permit.

Construction activities have been completed with final stabilization achieved on all portions of this site. Accordingly, a Notice of Termination (NOT) must be filed to relieve you of the obligation to comply with this general permit. I am enclosing an NOT form and instructions for your convenience.

If you have any questions, please contact me at (419) 373-3016 or by e-mail at [patricia.tebbe@epa.state.oh.us](mailto:patricia.tebbe@epa.state.oh.us)

Sincerely,

Patricia A. Tebbe, P.E.  
Division of Surface Water
