RE: LORAIN COUNTY  
CARLISLE TWP  
MUNICIPAL STORM WATER PROGRAM  
EXTENSION TO FILE 2010 ANNUAL REPORT

Starlet Seman, Zoning Inspector  
Carlisle Township  
11969 LaGrange Rd.  
LaGrange, OH 44050

Dear Ms. Seman:

On April 11, 2010, Ohio EPA received a request from you to extend the deadline for submitting the Annual Report required by the Ohio EPA General Storm Water National Pollutant Discharge Elimination System (NPDES) Permit for Small Municipal Separate Storm Sewer Systems (MS4s) #3GQ00095\*BG. Part IV.C of the NPDES permit requires the Annual Report to be submitted by April 1<sup>st</sup> of each calendar year. The Township has requested an extension to submit the Annual Report due to limited resources, i.e., a shortened work week, reduced staffing and some personal issues that have prevented you from completing the work on time.

Ohio EPA will grant Carlisle Township a one-month extension to submit the Annual Report. Thus, the Annual Report for 2010 must be submitted **by May 1, 2011**. However, please be aware that this is a one-time extension and that Ohio EPA expects Carlisle Township to submit all future Annual Reports by the required deadline. For the current NPDES permit term, i.e., Annual Reports through the Year 2013, that deadline is April 1<sup>st</sup> of the following year. Although Ohio EPA understands that governments at all levels are operating under reduced budgets and staffing, we must all adapt to our new realities and plan accordingly.

If you have any questions, please contact me at (330) 963-1145.

Sincerely,

Dan Bogoevski  
District Engineer  
Division of Surface Water
