Dear Mr. Birmelin:

This letter is notification that the Hidden Lakes Campground is in violation of OAC 3745-83-01 (F)(2) for July 2012, as the public water system failed to report chlorine residual (free or combined) daily at the plant tap and distribution system. There were 8 days during the month in which the analysis was not performed.

This violation does not require public notification. However, please review your operations to determine the reason for the missing analyses and advise this office as to what corrections will be made.

If you have any questions, please contact me directly at (614) 728-3863.

Respectfully,
