Dear Ms. Jones:

You are hereby cited for violations of the Ohio Administrative Code section 3745-19 (Open Burning Standards). These violations have occurred on your property located at 765 Randolph Road in Suffield Township (Portage County).

Three documented violations have occurred on your property during the months of July, August, and November 2009. The materials being burned have included construction debris and brush. The fuel area of the fires has exceeded the allowable size limit of 3 feet or less in diameter and 2 feet or less in height. The fires have been used for waste disposal.

In light of these violations, you are urged to take appropriate steps to be sure that no further illegal open burning occurs on this property. **Within fifteen (15) days of receipt of this letter, please submit a written commitment to cease all further illegal open burning.**

Acceptance by this Agency of your commitment does not constitute a waiver of this Agency's authority to seek civil penalties as provided in Portage County Air Pollution Control Regulation 97.16, or to refer the matter to the Ohio EPA for their enforcement action (including imposition of civil penalties). The determination to pursue or to decline such penalties will be made at a later date.

If you have any questions, please contact Bonetta at 330/375-2480 extension 6055.

Sincerely,

Frank Markunas  
Chief Engineer
