Dear Mr. Kotkowski:

You are hereby cited for violations of the Ohio Administrative Code section 3745-19 (Open Burning Standards). These violations occurred on your property located on Coit Road in Shalersville Township (Portage County).

On November 17 and 18, 2009, inspectors from the Akron Regional Air Quality Management District (ARAMQD) observed open burning and smoke occurring on your Coit Road property. Land clearing waste was being burned.

In light of these violations, you are urged to take appropriate steps to be sure that no further illegal open burning occurs on this property. **Within fifteen (15) days of receipt of this letter, please submit a written commitment to cease all further illegal open burning.**

Acceptance by this Agency of your commitment does not constitute a waiver of this Agency's authority to seek civil penalties as provided in Portage County Air Pollution Control Regulation 97.16, or to refer the matter to the Ohio EPA for their enforcement action (including imposition of civil penalties). The determination to pursue or to decline such penalties will be made at a later date.

If you have any questions, please contact Bonetta at 330/375-2480 extension 6055.

Sincerely,

Frank Markunas
Chief Engineer
