Dear Ms. Adelman:

You are hereby cited for violations of the Ohio Administrative Code section 3745-19 (Open Burning Standards) and the Portage County Air Pollution Control Regulation 97.16. These violations have occurred on your property located at 193 Nestledown Street in Suffield Township (Portage County).

On September 13, 2010, an inspector from the Akron Regional Air Quality Management District (ARAQMD) observed smoke and open burning on your property at 193 Nestledown Street in Suffield Township. You were contacted at that time and provided with a copy of the Ohio Administrative Code 3745-19 Open Burning Standards. You declined an explanation of the burning regulations.

On September 20, 2010, an inspector from ARAQMD observed smoke and open burning on your property at 193 Nestledown Street. Green vegetation was smoking and smoldering in your burn pit at this time. No contact was attempted.

In light of these violations, you are urged to take appropriate steps to be sure that no further illegal open burning occurs on this property. **Within fifteen (15) days of receipt of this letter, please submit a written commitment to cease all further illegal open burning.**

Acceptance by this Agency of your commitment does not constitute a waiver of this Agency's authority to seek civil penalties as provided in Portage County Air Pollution Control Regulation 97.16, or to refer the matter to the Ohio EPA for their enforcement action (including imposition of civil penalties). The determination to pursue or to decline such penalties will be made at a later date.

If you have any questions, please contact Bonetta at 330/375-2480 extension 6055.

Sincerely,
